BARKAN

VINEYARDS

CLASSIC

CHARDONNAY

Barkan Classic Chardonnay is produced from grapes grown at the winery's vineyards in the center of Israel. The vines yield small crops and ripen early. Hand picked in smallcontainers, the grapes are rushed to the winery to ensure maximum quality.

The wine ferments slowly at cool temperatures and yields a wine with a rich nose of blueberries, guava, and pears. It is well structured, balanced and lingers in the mouth. Ideal with poultry and hard cheese.
