PETIT UF - CABERNET SAUVIGNON

DRY RED WINE | GALILEE

SEGAL

High up in the Upper Galilee region of northern Israel lies "Plateau" vineyard. At an altitude of 835 meters above sea level, this vineyard grows in an ideal terroir, which produces exceptional grapes. Petit U.F. is vinified using those grapes. The wine is complex and elegant, bringing forward the richness of wild berries, red fruit and Mediterranean fresh herbs. No filtration or fining was used while making this wine, in order to preserve those unique characters.
