

# NADIV

WINERY

*"It took us years of learning, and making wine throughout some of the greatest terroir in the world (France, Spain, Portugal) to get where we are. Today, a dream comes to reality. The dream to put the knowledge and technique acquired by our team throughout all those years to service the most amazing and unique terroir in the world, our ancestral terroir... ISRAEL."*

  
Pierre M.  
Winemaker

*Greatness of the Land — Power of the Knowledge*
