

Sunshine in a Bottle

HERZOG

LATE HARVEST ORANGE MUSCAT | 2016

Grown in California's golden sun and harvested at peak ripeness, Herzog presents the most recent release in their Late Harvest series. This bold and aromatic Orange Muscat offers a rich essence of grape, apricot and orange peel. A smooth and full bodied texture ushers in notes of fresh pineapple and passion fruit, softly finished by hints of toast. Catch a few rays of the golden coast sunshine in each bottle.
