

# HERZOG

SPECIAL RESERVE

CABERNET SAUVIGNON

*For six generations, the Herzog family produced award winning, quality wines in their native Czechoslovakia. Since moving to the United States in 1948, that tradition has continued under the seventh and eighth generations, with a commitment to excellence undiminished by time.*

*This wine opens with rich aromas of blackberry jam, cassis and mocha with hints of sandalwood and vanilla. On the palate, concentrated flavors of cherry and spice combine with velvety tannins and subtle notes of leather over a lasting finish.*

*Perfect growing temperatures and the region's unique terroir will allow this wine to age gracefully for over a decade.*
