

# RAMON CARDOVA

Ramón Cardova is a luxurious example of Spain's famous Rioja wines. Ramón Cardova Old Vines has been produced from our oldest Tempranillo grapes selected from our best parcels around Haro, Spain., following the strict vinification and aging regulations of the Reserva moniker.

Deep purple in color, with on the nose freshly picked ripe blackberries, black cherries, roasted herbs, cumin and smoked meat. Full-bodied, with nice extraction, showing on the palate tart, juicy blackberries, black cherries and purple plums, followed by notes of star anis, cumin and clove, kalamata olives, beef prosciutto, graphite, shitakii mushrooms, soy sauce, medium-plus acidity, plush, searing tannins, with notes of rich espresso and roasted herbs lingering on a very long and savory finish.
