

SFORNO

CABERNET SAUVGINON

MENDOZA, ARGENTINA

Distinctly Argentinian, our wines are produced by winemakers with generations of winemaking history from vineyards in the world renowned Gualtallary region of the Uco Valley at the foot of the Andes Mountains.

The Sforno Reserve Cabernet Sauvignon features delicate aromas of berries and spices that grow alongside the vineyard, such as thyme and jarilla. In the mouth it is bold and expressive with a persistent finish.
