

SPECIAL RESERVE

MERLOT - RED WINE

One of the winemaker's biggest challenges is the selection of a region of each grape variety. The journey to discover the best region for each variety has led to this Special Reserve series of wines. The grapes for this Special Reserve Merlot were grown in the Upper Galilee region in a cool and dry climate which resulted in an elegant and velvety wine. The wine was aged in oak barrels for 18 months and will mature nicely in suitable storage conditions.
