WINERY

## ALFASI SPECIAL EDITION 2017

### The wine

Odem Mountain Winery was founded by Michael and Idit Alfasi

The winery is situated at high elevation in the heart of

Odem Forest. It is the most northerly winery in Israel.

This wine reflects winemaker Adam Alfasi's bond and deep understanding of the vineyard, and the desire to make his wine an expression of the unique terroir. Alfasi Special Edition is prestige blend of Cabernet Sauvignon, Merlot and Syrah grown in the finest plots. The wine was made with great attention detail, and aged for 36 months in small French oak barrels. Only the best barrels were allocated for the final blend. It will benefit from cellaring and will continue to improve over number of years.

The ALFASI SPECIAL EDITION has a deep crimson violet color, aroma of dark ripe berries, earth and some chocolate and flavors of, blackberry and dark chocolate. The wine presents a full body with rich astringency leading to long finish

### The vineyard

Odem Mountain Winery is at Moshav Odem in the northern Golan Heights. Our plots are set at the northeastern Golan Heights, the highest and coldest vine growing region in Israel. they are characterized by volcanic soil, reaching up to 1,060 m. (3,477 ft.) and receives snowfall in the winter.

### The vintage

A Winter with a lower-than-average precipitation. The spring temperatures moderated the annual average, even though July was relatively warm. fortunately most of the ripening season In August-September was moderate, without any extreme weather conditions. A balanced ripening enabled an expression that brings out the uniqueness of the vineyard.
