## SPECIFICATIONS

---

Varietal: Blend

ABV: 15%    TA (g/l): 5.69    pH: 3.65

---

The grapes were carefully sorted on arrival at the winery and then underwent cold soaking at 10-12 degrees celcius before fermentation, in search of delicate extraction of colors, aromas, and flavors.

---

The wine is bright, with a deep red color, and elegant aromas of blackberries and white micromeria. The palate is of blueberries and fresh fruits, as well as a hint of Mediterranean herbs. It is full bodied, with soft tannis.
