

VITKIN

Vitkin Israeli Journey wines are sourced from vineyards dispersed all over the country, a journey whose goal is the harvest of the grapes unique to each area. We assemble the final blend from these grapes to create a fresh and accessible wine while retaining a richness of aroma and taste.

RED: Bright purple violet color, an intensive aroma of ripe plums, violets, Mediterranean herbs, pepper and a little vanilla. Good complexity, a balanced body and a pleasant fruity finish.

ROSE: A fruity, dry and vitally blush colored rosé wine, with aromatic character, acute freshness, red fruit tastes.

WHITE: An aromatic, fresh and complex dry white wine. The Viognier contributes its rich, ripe yellow fruit structure, the Colombard gives citrus freshness and the Gewürztraminer an exotic floral touch.
