THE CHOSEN
RUBY
2016

The vineyards' high altitude
and climatic conditions
result in splendidly colored
grapes. They carry an amazing
concentration balanced
with some lively acidity.

Avnei Hahoshen Ruby has a
generous body and structure
balanced out by notes of spice,
while the wine is underpinned
by typical Syrah elements of
game and smoked meat. It is
ready to drink as is, but with
proper storage conditions, it
will continue to develop depth
and complexity for five to eight
years after its vintage date.
