Secret Reserve
CABERNET FRANC

Dark garnet in color, with aromas of jammy raspberries and blackberries, dried flowers, green bell pepper, and freshly brewed coffee, with hints of toasted oak and a touch of freshly cracked black pepper. Full-bodied, concentrated with flavors of ripe black and red berries, smoked wood, pepper, sweet plums, dried figs, roasted coffee beans with medium acidity and searing tannins as well as a hint of grape seeds bitterness on a long and rich finish.
