**CHARDONNAY | Dry White Wine**

Mt. Tabor Chardonnay preserves the natural aroma and flavor of the grapes. It's the wine of choice for those seeking a quality wine at a great value. A bottle of Mt. Tabor is always suitable for opening. Open a bottle of Mt. Tabor and enjoy today.

Out of our desire to restore the natural balance we established our ecological vineyards, in partnership with the Society for Preservation of Nature. The owls have returned and so have other animals and plant life, restoring the ecological balance. In this harmonious environment good grapes grow. This is how great wine is born.
