ADAMA | GALILEE - BASALT
ROUSSANNE | | Dry White Wine

Adama Roussanne is an aromatic, Mediterranean wine sourced from the winery's Golan Heights vineyards. Exotic fruit flavors and a rich texture are balanced by an herbal freshness, creating an exciting and flavorful drinking experience.

Out of our desire to restore the natural balance we established our ecological vineyards, in partnership with the Society for Preservation of Nature. The owls have returned and so have other animals and plant life, restoring the ecological balance. In this harmonious environment good grapes grow. This is how great wine is born.
