

CHÂTEAU MOULIN RICHE

SAINT JULIEN

The Cuvelier family bought both
Château Léoville Poyferré and
Château Moulin Riche in 1920.

The 22 hectares of our Moulin
Riche vineyard receive the same
care as the vines for our grand
vin, Château Léoville Poyferré.

With its own specific terroir,
Château Moulin Riche has its
own character, quite distinct
from that of Léoville Poyferré.

The property thus offers two
very different expressions of
Saint Julien. Very attractive in its
youth thanks to its softer tannins,
Château Moulin Riche is more
accessible in its youth.

2015 Blend:

64% Cabernet Sauvignon,
35% Merlot
1% Cabernet Franc
