PRINCE LORDON

Only the very finest highland single malts are vatted to produce Prince Lordon Scotch whisky. Clear mountain air and crystal pure spring waters bring unique qualities to create the distinctive character of true highland Scotch.

Aged for at least 10 years to give depth of flavour and ensure a rich rewarding finish, Prince Lordon lingers long on the palate and even longer in one's memories.

Naturally our whisky is matured only in American oak bourbon casks and is guaranteed not to have been stored in either sherry or wine casks.
