Berger

Specifications

Type: Single Malt Scotch Whiskey

ABV: 43%

Only 4,170 bottles of Tomintoul 18 Year Sauternes Finish have been released. Matured initially in American Oak ex-bourbon barrels, then finished in specially selected Sauternes wine casks from Chateau Piada, France.

The nose is tangy and aromatic with notes of marmalade, heather honey, stone fruits and Chantilly cream. The palate is luscious layers of tropical fruits, lemon curd, toasted almond and oranges zest balanced with oaky tannins and cake spices. The finish is roasted pecan, butter toffee and candied peels fading into a warming toasted oak linger.
