

TOMINTOUL

the gentle dram

Nestled in the beautiful Cromdale Hills in the Speyside Glenlivet region close to the source of the River Avon, lies Tomintoul Distillery. As one of the highest distilleries in the Scottish Highlands, the pure clear waters and clean Highland air contribute to make our Tomintoul, the gentle dram.

Tomintoul Tlàth is the result of a very careful selection of individual casks. The hand-chosen collection consists of whiskies of various ages matured in first-class American oak bourbon barrels. Tlàth has a golden straw color, and a nose that is quintessentially Speyside; light, with some sweet toffee and vanilla and hints of mint leaf and citrus peel. The taste is light and creamy, with lively white pepper and some oak-driven spiciness dance on the tongue and background layers of nutmeg and toasted vanilla. The finish is spicy with notes of shortbread and fresh mint.
