

# HACIENDA DE CHIHUAHUA

## Sotol Platinum

100% WILD HARVESTED AGAVACEA · TRIPLE DISTILLED  
FULL WILD-AGAVACEA FLAVOR

*Sotol Platinum Hacienda de Chihuahua provides the most genuine taste of this exquisite wild harvested agavaceae only found in the Chihuahuan Desert.*

*In order to create this exceptional spirit, our enologist & in-house Master Distiller handpicks the plants that show the highest levels of quality regarding size and maturity.*

*Beautifully presented in an ultra premium upscale bottle, this is the hallmark of the Hacienda de Chihuahua portfolio.*

## Sotol Reposado

100% WILD HARVESTED AGAVACEA · AGED TO TASTE FROM 6 MONTHS  
UP TO ONE YEAR IN NEW FRENCH OAK BARRELS

*The brightest star from this group [other than tequila agave spirits] was the smashing sotol [reposado] from Hacienda de Chihuahua. This I would buy and keep in the Spirit Journal liquor vault.*

*The bouquet opens up in an alluring fashion, more floral than vegetal, more vanilla-like than spicy—the middle stage passes see no diminishment in aromatic strength as the vanilla/oaky scent deepens and the flowery aspect drifts away—the final nosing is one of harmony and stately elegance...there's a genuine understated complexity to it that many tequilas don't possess—intriguingly different; on palate, the entry flavor is lush, almost regal as gentle, but deceptively characterful tastes of wood and dried fruit greet the taste buds—the mid-palate turns more appropriately vegetal.*

## Sotol Añejo

100% WILD HARVESTED AGAVACEA · AGED TO TASTE. 2 YEARS OLD  
BOTTLED FROM A SINGLE FRENCH OAK BARREL

*This fascinating spirit has been triple distilled in a double column copper still, offering a higher grade of purity. In addition, it is aged in a new French white oak barrel for 2 years, granting it an extraordinary richness in its exceptional and unique scent and taste.*

*We say that each bottle is unique because its taste comes from a single numbered barrel, which is acknowledged by our in-house-master distiller in the beautiful and elegant bottle that embodies this award winning presentation.*
